Grooming Instructions _____

If yes, please list _____

I confirm my pet is healthy, up-to-date on vaccinations, de-wormed, and free of fleas.

I will not hold Wag On, LLC responsible or liable in the event that grooming reveals a pre-existing condition that may need to be treated before grooming can commence.

I understand Wag On, LLC will do its best to follow my requests and/or instructions; however, in certain situations more or less fur/hair may need to be cut than was requested, e.g., due to knots or matting.

In cases of significant matting, especially when it is interfering with the pet's comfort and/or making it difficult to groom without injuring the pet, Wag On, LLC may determine shaving is the only safe option. In this instance, we will call for permission before shaving.

I understand that if fleas are found on my pet, Wag On, LLC will treat the pet with a flea shampoo at my expense.

I understand a muzzle may be used if necessary. Muzzling protects both the pet and groomer and can often calm a stressed animal.

I understand having my pet groomed carries some risk. Although the utmost care is taken to prevent injury, grooming instruments are extremely sharp and accidents can occasionally occur, such as nicks, cuts, scratches, nail quicking, etc. Wag On, LLC will inform you of any incident, no matter how small and, in the case of an emergency, will transport your pet to its vet for care.

I understand veterinary bills caused by serious matting, a pre-existing condition, aggressive/difficult temperament, or due to a pet's illness or advanced age, are solely my responsibility.

By signing below, I confirm I have read and fully understand the information in this consent form. By signing below, I agree to accept all and full responsibility for any risks, injuries, damages, or accidents that may impact my pet. I will not hold Wag On, LLC responsible for any conditions present but not disclosed at the time of grooming that may affect the service.
